TRANSCRIPT ORDER**

Notice is hereby given that a transcript of the testimony in this matter has today been ordered from the Court Reporter on the attached Transcript Order form. The order form is directed to those portions of the trial testimony and sidebar conferences that were not previously ordered or filed. The transcript material noted

as exceptions (the trial testimony of Jeffrey Hoop and Charles Robert Hoop has already been transcribed, as has the proffered testimony of Richard Luther filed as Docket Entry No. 147) has already been transcribed, and consequently the material identified in the Transcript Order together with the material noted as exceptions constitutes the entire transcript of the testimony and sidebar conferences.
